<p>^NOTE: MFC will make every effort to form NEW teams (in addition to those listed above). NEW team formation is dependent on having enough players trying out (U11 and older) and accepting offers to play.</p>			
<p>^^ U9 & U10 teams play at the MAYSA-Rec level and are NOT tryout teams. Team placement is on a first-come first-serve basis. MFC will form boys or girls only teams if the numbers allow.</p>			
<p>^^^ MFC has two State League placements available based on teams from the Fall 2010 season. Team formations for the Fall 2011 season are dependent on player registration.</p>			
<p>* League placements are MFC projections and are for informational purposes only. (MFC league placement projections are <i>ONLY</i> listed to assist with the tryout process.) FINAL league placements are made by MAYSA/WYSA prior to the upcoming season.</p>			
<p>** Coach assignments are MFC projections and are subject to change. FINAL MFC coach assignments will be confirmed prior to team offers being made.</p>
