Monona Grove senior forward-midfielder **Sabastian Xiong**, a UW-Green Bay recruit, is in Costa Rica with the U.S. Youth Soccer Region II 1991 ODP team this week.

Xiong, who plays club soccer for Madison FC, is the only state player on the tour, which kicks off with a match against Alajuela on Monday.

The team will play two other club sides, Brujas FC of Desamparados and Heredia, along with the Costa Rican national team.
